

# OFFICE BOMBARDMENT MONTH

The best way to get your foot in  
the door is to knock it down.

## OCTOBER 2008

The Livestock Publications Council (LPC) invites you to bombard LPC members' offices during October — the LPC Office Bombardment Month.

During Office Bombardment Month, our professional journalists, designers, production specialists — agricultural communications gurus — will open their doors for student visitors. Contact one of our participating offices to set up a visit. You can swing by with a question or stay for the day.

A list of participants and locations will be provided to your ACT chapter.

Can't bombard an office in October? No problem! LPC mentors are available 24 hours a day in the LPC Student Mentor Directory at [www.livestockpublications.org](http://www.livestockpublications.org).

Give us a call or drop an e-mail — we'll help you on your way any day!
